

Enveloping Joyful Momentum

Leadership Development inspired by the Saint of Calcutta

Saint Teresa of Calcutta radiated joy. She loved abundantly and accomplished miraculous things in her life for the sake of bringing souls to Jesus. She served the poor and fed the hungry. She is known for doing little things with great love, but in serving God through every little thing, she garnered the attention of the world, won influence over leaders, and was even given a Nobel Peace Prize. What she knew is that the adulation and accolades and attention were not what she sought. She sought to serve and to bring the joy of Jesus to everyone she encountered with an urgency that created such momentum that

the Holy Spirit moved mountains through her. The focus of this presentation is building and sustaining that JOYFUL MOMENTUM on a leadership board, and in your women's ministry community.

What to Expect

This leadership training presentation incorporates the life and letters of Mother Teresa with practical and step-by-step guides for serving in a leadership position and working with a board, with emphasis on staying grounded in the Sacraments, building a relationship with the priest and chapel staff, resolving conflict, planning programs, and effectively in-reaching and out-reaching to serve Jesus and sustain the Joy of the Gospel.

This presentation can be adapted to a half-day, full-day, or weekend retreat. To schedule Enveloping Joyful Momentum at your chapel, please contact info@mccw.org.
